January 4, 2010

Dear Friends:

It seems impossible that another Fifth Sunday is already coming, but January 31st is a fifth Sunday. As one of those churches that made Fifth Sunday gifts in the past, we hope and pray that you will be doing so again in 2010.

Enclosed is a moving story about “smiles” that you help make possible. Please consider including it in your bulletin or newsletter. An electronic version of the story and other resource materials are available in this section of the Christian Care website. Thank you for your prayers and gifts. We are grateful for your support!

I am wishing and praying that you and your church will have a blessed New Year.

With God’s love in Christ,

Bill Schiphorst
Director of Church Relations
