

## A Lifetime of Faith and Caring Comes Full Circle

*“If you give to others, you will be given a full amount in return. It will be packed down, shaken together, and spilling over into your lap. The way you treat others is the way you will be treated.”*

*Luke 6:38*

Some of you will remember the name of Farris Clifton, a dreamer, a doer, and a minister who in 1955 accepted a job to lead Christian Care’s Widows and Orphans Home. For 30 years Farris crisscrossed Kentucky promoting and seeking the needed financial support to strengthen and expand the Christian Care ministries. His vision continues to guide our mission of providing care and support for Older Adults.

Today, Farris’ life has come full circle. After being hospitalized, and facing the fact that he was no longer ambulatory, his wife, Ramona, turned to the Christian Care Health Center in Louisville for assistance. The homes that Farris championed and helped to build have now welcomed him home.

Today, more than ever, this ministry that began almost 125 years ago is committed to being there for families who turn to us when life comes full circle. And as always, we are committed to never turning anyone away because of inability to pay.

But we can only do this with your gifts, which is why we are asking for your support once more on this Fifth Sunday. We thank you for any amount – large or small – you can give. In doing so, you truly open the doors of care. And for this we are most grateful.
