

# Where do you see yourself?

## CNA – LPN – RN

Our residents look to you to provide professional nursing and personal care while working together as a compassionate team. You will be providing care that promotes healing and independence, advocates for quality of life, and encourages socialization.

Your career with Christian Care Communities will make a positive difference in the lives of thousands of senior adults, their extended families and friends.

*Join a team with a Faith – Care – Family tradition!*
